TCM Applications: Tonifies *qi*, invigorates blood, benefits the movement of urine, resolves swelling and dissipates masses.

Comments: PROSTATE FORMULA addresses benign prostatic hypertrophy (BPH), and is based on the effective *Kai Kit* (*jiě jiē*, 解结) formulas. It is used for chronic swollen prostate due to deficiency with symptoms of frequent urination, nocturnal urination, or urinary dribbling, often accompanied with inguinal pressure or sensation. It is not indicated for acute prostatic infection or prostate cancer.

Ingredients:
